Somaiya Vidyavihar University

Special Partner: Faculty & Staff Development Centre,
Somaiya Vidyavihar University

Conference Goals

Reimagining Management for the Future: Innovation, Integration, and Impact reflects the pressing need to rethink management theories, practices, and policies in response to rapid technological, economic, and societal change. The theme highlights innovation as a catalyst for progress, integration across disciplines, sectors, and cultures, and impact that is sustainable and meaningful for organisations and society at large. By bringing together scholars, practitioners, and policy-makers, the conference seeks to generate forward-looking insights that will help shape the future of management in an increasingly complex and interconnected world.

Participants from all over the world come together in a setting that is both highly professional and relaxed, creating what many describe as a strongly networked, family-like atmosphere. Friendly and productive networking opportunities abound, allowing participants to build meaningful connections and exchange ideas that advance their research and career goals.

Author Guidelines

The EuroMed Academy Conference invites the submission of manuscripts in the form of a Paper or an Extended Abstract. Authors who submit an Extended Abstract for blind review should not submit a Paper at the Final Submission stage. All accepted manuscripts will be presented at the conference and published in the Book of Proceedings (with ISBN and ISSN). The best papers will also be included in a Scopus-indexed edited Book volume.

Submissions should strictly adhere to the following Author & Formatting Guidelines:

Papers: <https://euromedacademy.org/Author-Formatting-Guidelines-for-Papers.pdf>.

Extended Abstracts: <https://euromedacademy.org/Author-Formatting-Guidelines-forExtended-Abstracts.pdf>.

The maximum number of submitted papers or abstracts accepted per author (either single or co-author) is two. Submissions are going through a double blind review with the understanding that accepted papers/abstracts will be presented at the conference by at least one of the authors.

The EuroMed Academy Conference invites you to submit manuscripts online at <https://euromedasiachapter.exordo.com>. To assist you with the submission process, please read <https://help.exordo.com/submitting-an-abstract/paper>.

For questions related to manuscript submission, please email info@euromedacademy.org.

Important Dates

EMA Distinguished Fellowship Programme

The EuroMed Academy's Executive Committee awards Fellowships to individuals who have made exceptional contributions to academia, management science, and business practice or who have supported the Academy's work over the long term. These Fellowships represent the highest distinction conferred by the EuroMed Academy.

Once awarded a Fellowship, you will receive a formal certificate and be eligible to use the Academy's logo and title (e.g., "Associate Fellow," "Fellow," or "Senior Fellow of the EuroMed Academy") in your email signature and on your business cards. This recognition can help your academic and professional profile, expand your network, and offer advantages in an increasingly competitive environment. Fellows also receive priority when engaging in Academy-related initiatives and opportunities to collaborate with other Fellows

To view the fellowship categories, apply for Fellowship, and review eligibility criteria, benefits, & fees, please visit <https://euromedacademy.org/fellowship/>.

We look forward to hosting you in Mumbai, the city of dreams, where bold ideas, global dialogue, and vibrant academic exchange create an experience that is both intellectually rewarding and personally memorable.
