

**SOMAIYA**  
VIDYAVIHAR UNIVERSITY

Invitation to Sponsors

# International Conference on Clinical Translation of Biomaterial based Therapeutics and Devices (ICBTD-2025)

6<sup>th</sup>-7<sup>th</sup> February, 2025

Somaiya Vidyavihar University Campus Vidyavihar,

Mumbai-400077, Maharashtra, India

Organised by

**Somaiya Centre for Integrated Science Education  
and Research, (SciSER) and Department of  
Mechanical Engineering, Somaiya Vidyavihar  
University, Mumbai**

Supported by

**Internal Quality Assurance Cell,  
Somaiya Vidyavihar University, Mumbai**

## About Somaiya Vidyavihar University

Established in 2019, Somaiya Vidyavihar University (SVU), Mumbai, is a self-financed private university recognised by the University Grants Commission (UGC). Somaiya Vidyavihar has over six decades of rich experience in building and managing educational institutes of great repute. The university has been operational since 26<sup>th</sup> August, 2019, and a place where learners can explore new possibilities and pursue their passions.

There are ten constituent colleges under the umbrella of SVU. Being located in the heart of Mumbai spread across a vast 50-acre sprawling green campus, and having state-of-the-art learning infrastructure, it caters to 39,000+ students in diverse fields of education, including design, engineering, library science, management, religion, culture, sports, music, humanities, and sciences.

SVU offers students the flexibility to simultaneously earn degrees and certifications in multiple disciplines offered by our constituent colleges. The university also accommodates an advanced incubation centre, which serves as a launch pad for entrepreneurs / start-ups. The placement cell facilitates ample employment opportunities for graduates, and the on-campus hostels ensure a comfortable and safe stay for the students and academicians. The university aims to provide quality holistic education to make great citizens of India, those who know how to live better and make this world better for living.

## About SciSER

The Somaiya Centre for Integrated Science Education and research (SciSER) is formed with the vision of preparing professionals & researchers with unique skill sets in integrated sciences. Currently it offers a unique BS-MS dual degree programme. The emphasis of the programme is on conceptual understanding, rather than rote learning. It focuses on developing critical thinking to encourage logical decision-making & innovation.

## About Department of Mechanical Engineering

Department of Mechanical Engineering imparts the skills and expertise in the areas of design, manufacturing, and thermal sciences that are the backbone of most sectors of the industry. The department is committed to providing quality education in mechanical engineering that enables students to achieve excellence in their field of specialization

## About IQAC

The Internal Quality Assurance Cell (IQAC) at the University serves as the pivotal body overseeing and enhancing quality assurance and enhancement initiatives. It spearheads the development and implementation of robust quality processes for both academic and administrative functions, ensuring continuous improvement through periodic reviews and corrective measures.

## Why you should sponsor the event

### Visibility

Gain exposure to a global audience.

### Networking

Connect with industry leaders and professionals.

### Brand Recognition

Showcase your commitment to Healthcare.

### Opportunity

Engage with decision-makers and influencers.

## Your Investment Supports

**Speaker honorariums**  
 Recognise the expertise of the speakers by providing honorariums for their valuable contributions.
